Couples Championship – September 4-6, 2026

It's finally time to register for the 2026 Couples Championship! The tournament will be held on Labor Day weekend, September 4, 2026 through September 6, 2026, with accommodations at the Renaissance Shoals Resort and Spa. This year we are doing something different! A Tournament Tailgate after play Saturday afternoon here at the course instead of the dinner at the hotel. We will be serving up great food and a fun time with ballgames on the television!

Please note that we will only accept World Golf Handicaps. See our Handicap letter for more information on rules. Also, the Renaissance Shoals has asked that we make sure you know your room/bed preference is based on availability and NOT guaranteed. They will try their best to accommodate you. We will use our payment portal like we did last year, and you will pay with a credit card to secure your spot in the tournament. You will email your registration form to [mowens@rtjgolf.com](mailto:mowens@rtjgolf.com) and then go to the portal to pay and once both are done you are considered registered. See the Registration Packet for more details. The first 56 couples registered and paid will determine the field of play. Others will go onto a waiting list in the order of which they are received (based on the time/date stamp of email). Incomplete registration forms will not be accepted. A confirmation email will be sent upon acceptance of your registration form.

We look forward to seeing you back at The Shoals!

Regards,

Melissa Owens
